

Volunteering with Far North Little League

If you enjoy supporting kids and being involved in our community, Far North Little League is a great place to volunteer. The league needs you and volunteering is a wonderful opportunity for you to share your time or talent with youth, make friends, and have fun!

Join our Board of Directors

Far North Little League is non-profit organization run entirely by local volunteers from many different walks of life who volunteer their time for the betterment of the league and our community. Our board members are mainly parents and relatives of children currently participating in the league. Thus, board member turnover occurs annually. Maintaining a constant stream of new volunteers on the board is critical to the current and future success of the league.

We keep procedures that help ensure success when retiring board members hand over to a new board member. Our goal is to make it straightforward and fun for our volunteers! The time commitment varies depending on the board position but most involve a modest commitment. Most positions don't require much experience or baseball/softball knowledge.

Please consider serving the Little League by joining our Board of Directors. See our list of board member position descriptions to get a good idea of what we do. Please remember, positions are for one year and turn over. Even if the position you are interested in is filled, it may become open shortly or you may join as a "member at large" to support ongoing activities or special projects.

Other Volunteer Opportunities

In addition to serving on the Board of Directors, the league has numerous roles that must be filled each and every season. These positions include: managers, coaches, umpires, team parents, field maintenance helpers, mowers, concessions workers, scorekeepers, fundraisers/sponsors, and tournament helpers. The people who take the time to serve in these roles are the cornerstone of Far North Little League. It is these folks, both on and off the field, that make it all happen for the youngsters! Please see our parent handbook for more information about each of these worthwhile volunteer positions.

Volunteering has its Rewards

Volunteering is a fulfilling and rewarding experience. Most people want to give back in some way to their community. There are few things more community oriented than the local Little League. Giving time and effort to Far North Little League makes our volunteers feel great! Watching our young people and their teams play their hearts out and know that you had a role in making it all possible is one of life's greatest joys and is immensely gratifying. You will always remember the way you made a difference for these kids!

So, become a volunteer with Far North Little League today! For more information, visit our website at www.farnorthll.org or call 563-7922. We look forward to serving with you!
