

Play It Again Sports Virginia Beach Program for Virginia Beach Little League

Play It Again Sports would like to continue a working relationship that benefits the league, the players, and our store as well. Our goal is to provide the best quality for the best price to your players and parents while ensuring the league receives the absolute best deal on necessary equipment.

Play It Again Sports sells new and good quality used sporting goods at prices comparable to all other retailers. In addition, we offer even greater discounts by allowing the customer to trade in used sporting goods or fitness equipment. This can result in sales at prices as much as 50% less than big box retailers. By bringing in their league flyer, they are guaranteed at least 10% savings.

We would also like to offer deep discounts on items necessary for your league. The league will qualify for purchase that can be anywhere from 30-70% below retail price. This can be a significant savings for essential items such as balls, bases, and organizational equipment.

Lastly, to reward the coaches who are volunteering their time, we'd like to present them with a 20% off coach's card. This card is good for all baseball related purchases that the coach might need to make. The coach simply comes by the store and registers as a coach with your league and we present him his card.
